Can Indoor Farming Fulfill The Dream Of Opportunity Zones?

[In 2 Weeks! SOM, HOK and Perkins + Will discuss designing for the city's future at Bay Area Architecture](#)

[Opportunity zones](#) and [indoor farms](#) are both new frontiers for investment, and one company is seeking to combine them.

Can Indoor Farming Fulfill The Dream Of Opportunity Zones?

Zale Tabakman has developed a concept for an indoor farm that grows greens, herbs and vegetables using [modular construction](#), called Local Grown Salads. One LGS farm would be 15K SF and fabricated off-site almost entirely — even the HVAC system, often one of the costliest...

'We've Got To Be Prepared': Amazon's Arrival Puts Pressure On Region To Prove Critics Wrong

As Amazon prepares to hire 25,000 workers in Northern Virginia over the next decade, and with an untold number of companies predicted to grow around the tech giant, the implications for Greater Washington's already-strained housing and transportation systems are enormous.

Amazon HQ2 is expected to spur additional growth in the...

How Dogs, Bars And Coffee Shops Convinced Amazon To Come To Arlington

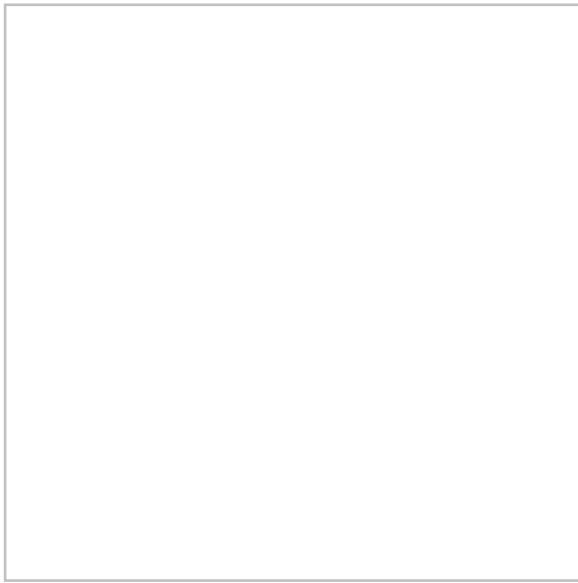

Amazon was focused on talent pipelines and incentives when it was looking for a place to put its second headquarters, but when its executives visited Arlington last year, a handful of community interactions helped convince them that it was the place to come. Amazon global economic development head Holly Sullivan, speaking Thursday...

EB-5 Fund USIF Sued For Racketeering By Representative Of Chinese Investors

A Chicago-based Chinese-American researcher named Xuejun Makhsous, also known as Zoe Ma, has opened a new battlefield in her war with the U.S. Immigration Fund, a company that bundles foreign money to be loaned to developers for U.S.-based projects. Last year, USIF sued Makhsous for defamation in New York State...
